Subject: RE: Deschutes partial approval discussion (Pre-brief for 3/21 meeting with Dan)

Hi everyone, you can use the link below to access the briefing paper which I edited today based on our conversation last week. I recommend taking a look at the track changes and my responses to your comments, but then also using the Review --> "No Markup" view to see the clean version. I would like to send this to Dan by COB tomorrow, so comments before then are appreciated.

Thanks!

Hello everyone – I'm attaching the draft briefing sheet. If you have some time, take a look before our meeting tomorrow. Feel free to offer suggestions for improvement to me in writing or at our meeting tomorrow. Thanks!

Hi – we have a briefing scheduled with Dan to put forth our options for partial approval on the Deschutes, and pros/cons/risks for each one. Before then, I'd like to get your input. (b) (5)

I will share a draft brief paper before Thursday.

Thanks,

Miranda
